Doolen GATE Booster Club is a 501(c)(3)

To whom it may concern:

The Doolen GATE Booster Club is seeking donations for the Doolen Middle School 8th grade GATE end-of-year field trip to Washington, D.C. The Doolen GATE Booster Club is a 501(c)(3) organization, and we will be sure to send an official receipt for any donation given.

The GATE students work very hard over their three years in middle school, focusing on hands-on learning and developing critical thinking skills to help them face the issues of today. As a culminating trip for everything they have learned over their three years in middle school, the teachers have organized a trip to Washington, D.C. to give the students an experience that many of them would not normally have.

The Doolen GATE Booster Club is seeking donations to help these students who attend a Title I school in TUSD, many of whom are from low-income families. Without donations from the community, it is nearly impossible to make trips like this happen. These donations will go to help reduce the cost of the trip for each student, helping to pay for travel costs, meals, entry into museums, and hotel rooms. The Booster Club and GATE teachers appreciate any and all support we receive to help make this trip possible.

If you have any questions, please feel free to email the Doolen GATE Booster Club at DoolenGATEBooster@gmail.com.

Sincerely,

Doolen GATE Booster Club
